## ANTICHE TERRE VENETE

### Villa Vittoria Garganega Veronese 2020

*Consistency: 32 - Balance: 31 - Integrity: 31*

*Sensations: not only a wine of great softness on the palate, but even more one of the densest Garganega recently tasted. Its dense extract is perceptible through tasting, while its great grape scent is characterised by hints of apricot. A wine, among other things, distinguished by an excellent wine making process and a brilliant, pure fruit, and which, with great softness, evokes the grape and pear pulp. A sensation of crystallinity that enhances the fragrance of its aroma. A great wine, hats off.*
