AMORE IN ROSA BIO

CLASSIFICATION. Organic Rosé Wine.

GRAPES. Local indigenous and international organic grapes.

PRESENTATION OF WINE. The third chapter in the love story of Amore wines from Antiche Terre Venete is Amore in Rosa. The pale raspberry colored wine is fresh and lively on the palate with red berry fruit sensations and a well-balanced acidity and a smooth fresh taste. Amore in Rosa is a blend of indigenous Italian grapes organically grown with respect of nature and the environment. Amore in Rosa: A tribute to La vie en Rose.

TOTAL ALCOHOL CONTENT. 13,00%.

TOTAL ACIDITY IN TARTARIC ACID. 5.8 grams per liter.

SHELF LIFE. If the wine is stored properly at a constant temperature of around 8 - 12 °C, in horizontal position in absence of light, it will be preserved for 2 years.

COLOR. Bright pink.

NOSE. Cherry fruit aromas with scents of cherry flower and hints of rose.

TASTE. Lively fresh fruit on the palate with a delicate soft taste.

SERVE. 12 - 14 °C.

FOOD MATCHING. Aperitif, excellent with fish, white meats, pasta and vegetable soups.
